FOODSERVICE SPOTLIGHT

JULY 23RD- NATIONAL HOT DOG DAY

DIRECTIONS:

Preheat on top grill to medium. Slice hotdogs lengthwise, do not cut all the way through. Cut peppers into strips. Place cheese slices into hot dogs. Place the peppers on top of the cheese. Wrap the hot dog with a strip of bacon.

NOTE: Bacon might not need to be secured, as it will tighten itself around the hot dog while it cooks. Place hot dogs on the grill. Cook till desired doneness. Make sure the bacon is fully cooked. Remove hotdogs from the grill. Place the hotdogs into the bun. Top with ketchup and/ or mustard. Serve.

MONTHLY TIP

from foodservice specialist, Jeff Hughes

Order Guides are a very helpful tool to use in the foodservice industry. When you use a complete order guide to do your foodservice orders in your c-stores or restaurant, it improves your ordering skills. As the owner, using order guides properly will help you not be without product or running around looking for items to purchase by calling your wholesaler and trying to get additional orders delivered to your location. Get in touch with your sales rep for a usage report or see if they can create an order guide for you to successfully do your weekly orders.
